We are delighted to announce that our law firm, Cazals Manzo Pichot Saint Quentin, has once again been ranked in the Legal 500 and Chambers & Partners league tables among the leading law firms in France for their tax practice.

We thank our clients for their continued trust and the following complimentary testimonials gathered by Legal 500:

'The firm is completely committed to providing excellent service and will work around the clock to deliver it. They have good communication skills, are very personable and commercial and always a pleasure to work with'

'They are highly responsive and have strong technical expertise. They cover all the areas of tax advice and litigation with a high degree of creativity'

'Thomas Cazals is very reactive and a problem solver who has his clients' best business interests in mind'

'Maxence Manzo has a very good knowledge of the tax area and excellent technical skills'

'Romain Pichot and Bertrand de Saint Quentin are experts in corporate tax. They are very available and responsive. They provide very solid and reliable analysis. They find extremely relevant solutions'

'Virginie Aidan is always available and always provides practical advice'

'Pierre Ullmann is a technical tax guru'
